A tűzésnél kiemelten fontos szerepe van a szegélyeknek, hiszen ez az ami keretezi a munkát. Hihetetlen módon fel tudja dobni az összképet, ha a szegélyre külön odafigyelsz! Összegyűjtöttem Neked 50 egyszerű szegély tűzés mintát, melyeket bármikor használhatsz.

Sok olyan mintát is találsz közöttük amihez nem szükséges tűzőtalp, de azért biztatnálak, hogy ezzel is próbáld ki.

Elsősorban kezdőknek ajánlom, mert a minták valóban egyszerűek! Ezt bizonyítván Andi lányom (csak minimális gyakorlata van!) tűzte meg az összeset, kivéve azt a párat amit kész munkáimból fotóztunk :)

Gyakorlottabbaknak pedig ötletgyűjtésre jól jöhet :)
